Day 3: Zadar - National park Plitvice lakes – Rastoke - Zadar

After breakfast departure to the most beautiful Croatian National Park Plitvice Lakes. Sightseeing of the park for 3 to 4 hours. Plitvice Lakes are one of the most attractive National Parks in the world and the only park in the world where tuff grows up to 90 centimeters in 30 years, while the world average is only a few centimeters. For this reason it was also called the Land of the Falling Lakes and the Land where the stones grow. After sightseeing of Plitvice Lakes, we continue our journey to nearby Rastoke where we are scheduled to have lunch at a local restaurant where the fish swim in the streams under your feet. Rastoke is a suburban town of Slunj located on the river Slunjčica. The settlement was originally created as a settlement of mills for various cereals and a laundry for woolen objects. Today there is no need for the original purpose of the settlement so the whole settlement is oriented to tourism. The Slunjčica river is filled with wild trout which you can taste at the restaurant caught directly from the streams. After sightseeing of Rastoke return to the hotel, free time until dinner and overnight.

Day 4: Zadar - National park Krka – Šibenik - Zadar

After breakfast, you will visit the second most visited Croatian National park, the Krka National Park. The Krka National Park is located near the historic town of Šibenik. The national park is dominated by waterfalls, lakes, remains of Roman aqueducts and camps and numerous forts from the 14th century. The Krka River flows through a 75 km long stone canyon and flows into the Adriatic Sea near Šibenik. Krka was proclaimed as a national park in 1985 and is best known for its waterfalls: Skradinski buk, Roški waterfall, Bilišića buk, Brljanski waterfall, Manojlovac and Miljacka waterfall. The second hydroelectric power plant in the world was built at the foot of Skradinski Buk 2 days after the hydroelectric power plant at Niagara Falls in 1895. After sightseeing, you will visit a nearby farmhouse where you will taste their products and have lunch. After the lunch a short drive to Šibenik. Šibenik is the oldest native Croatian town on the Adriatic and is located at the mouth of the Krka River. Šibenik's Cathedral of Saint Jacob was built for over hundred years. It is special in that it is entirely made of stone. It is also unique in that it was created by positioning stone slabs and ribs without using any binder. After sightseeing of Šibenik return to the hotel for dinner and rest till tomorrow.

Accommodation: 3* Hotel

Meals: breakfast at 08:00 am, lunch at 1:00 am on a farm, dinner in hotel from 7:00 pm

Activity: light, 9 hours

Transport: 200 kilometers, cca. 2:30 h driving in 4 times

Day 5: Zadar-Klis-Split-Trogir-Zadar Game of Thrones tour

After breakfast departure to the Klis fortress located at the top of an inaccessible cliff. The fortress had a historical significance in the defense of these area. Klis was the first Croatian capital and the royal capital of the Trpimirovic dynasty. Nowadays, it is becoming popular again after being one of the premier locations for the Game of Thrones series, known in the series as the town of Meereen, the city where slaves lived. After the fort tour follows a short drive to Split. Split is the largest coastal city in Croatia, known for its rich historical heritage and Emperor Diocletian who built the palace there. Diocletian's Palace is one of the most preserved monuments of Roman architecture in the world. Because of its size and the wealth it used to build, it was probably one of the triggers for the accelerated decline of the Roman Empire. In the Diocletian's Palace the Western Roman Empire was extinguished by the murder of the last recognized Roman emperor Julius Nepot. After lunch in this magical city, continue the journey to nearby Trogir. Trogir is located on an island between the mainland and the island of Čiovo. It was founded by Greek colonists from the island of Vis in the 3rd century BC. Trogir is considered to be the best preserved Romanesque-Gothic city in Central Europe. It captivates visitors with its numerous cultural and historical monuments, small streets and art collections with numerous masterpieces. Since 1997, the entire city has been on the UNESCO World Heritage List. National Geographic has declared it the most beautiful island city in the world. After sightseeing of Trogir, return to hotel for dinner and rest till tomorrow.

Day 6: Zadar – Nin - Pag island - Zadar

After breakfast departure to the town of Nin. Nin is one of the smallest cities in Croatia, but also one of the most important cities in Croatian history. The center of the ancient town is an islet, 500 meters in diameter, connected by two bridges to the mainland. In the sandy lagoon that surrounds it on one side of the town is one of the most beautiful sandy beaches in Croatia, known as the Queen's Beach, and on the other side of the city is an ancient saltwork, which still produces one of the best salts. Continue to the island of Pag. The island of Pag is known as Moon Island or Stone Island, and because of this it has the best cheeses in the world. On this stingy karst grows only medicinal herb that is food for the sheeps, and because of that Pag has the best lamb and cheese. Panorama view from a hill above the small stone town of Pag and a visit to the Gligora factory, which has the highest awards

in cheese production, you will taste several types of award-winning cheese, prosciutto and wine. After the tasting, we continue to the olive groves, and you will walk through the olive grove where some olives are over 1600 years old. After this walk you will taste the oils of these unique olives. After the tasting, return to hotel for dinner and rest till tomorrow.

Accommodation: 3* Hotel

Meals: breakfast at 08:00 am, tasting at 2:00 pm (substitute for lunch), dinner in hotel from 7:00 pm

Activity: light, 11 hours

Transport: 170 kilometers, cca. 2:15 h driving in 5 times

Day 7: Zadar-National park Kornati and Nature park Telašćica-Zadar

After breakfast, take a boat ride to the National Park Kornati and Nature Park Telašćica. National Park Kornati consists of 89 uninhabited islands and islets. The Kornati islands are the most indented group of islands in the Mediterranean. The name comes from the Latin word "corona" which means crown. According to legend, God wanted to crown His work on the last day of creation, so He created the Kornati from tears, stars and breath. Nature Park Telašćica is located in the southeast of Dugi otok. The park is known as the most protected port on the Adriatic, which is why, along the Kornati islands, this area has been named as a paradise for boaters. At the top of the western side of the bay extends the largest cliff in the Adriatic sea reaching 166 meters in height and going 85 meters deep into the sea. Nearby is the salt lake "Mir" which is known for its high salt content and medicinal mud. After lunch, take a walk through this magical island. Return to Zadar, 2 hours free time and a farewell dinner in the old town and transfer back to the hotel for overnight.

Accommodation: 3* Hotel

Meals: breakfast at 08:00 am, lunch at 1:30 pm on the island in the National park, farewell dinner at 7:00 pm

Activity: light, 9 hours
